# 1/31 Senate Eco Devo Committee Hearing

From Strong-Goeke, Lori Date Wednesday, February 01, 2017 6:22 PM

The following notes were provided by Brett Dinkins, DED.

Committee: Economic Development, Senator Jay Wasson, Chairman

Date: Tuesday, January 31

Time: 12:30 p.m.

Room: Senate Lounge

#### SB 15 - Dixon

Reauthorizes tax credits for contributions to maternity homes and pregnancy resource centers

Discussion: Reauthorizes tax credits until 2026. Senator Dixon plans to provide substitute to add the "champion for children" tax credit. Chair of committee asked Senator Dixon if there were any new tax credits being added or if this was just a continuation (He said continuation). Inquiry of whether or not they were saleable by Senator Hegemen (they aren't according to Dixon). Chair asks Lisa Mcyntire if it would be easier for witness if the tax credits were saleable. Senator Rowden and Hegemen say that would probably make them sell for less.

#### In Favor:

Lisa Mcyntire (sp?), Springfield Pregnancy Care Center- provides free and confidential services to teens experiencing unexpected pregnancies including tests, training, mentoring, and a fatherhood program. About 98% of donors give 5,000 dollars or less. Senator Hegemen asks how many facilities the credits go to (witness stated 69 in the state of Missouri could access these credits).

Cheryl (registered nurse): gave success story of a client of the pregnancy resource center. Is not sure that they could serve as many women that they do without the tax credit program. Senator Schupp inquires about the several ultrasounds that Cheryl (witness) stated they gave in the client example. Witness said it was to show the

Print Page 7 of 339

development of the child throughout the pregnancy.

Samuel Lee (campaign for life Missouri): thanks the legislature for the support they have given to abortion alternative pregnancy centers. Handed out information on maternity homes. Reiterated point that average redemption amount is between 300-550 dollars for donations to pregnancy resource centers and maternity homes (not welfare for millionaires). States these credits were formerly saleable but when getting it reauthorized previously a term of condition was to end the practice of selling them (due to Senator Jason Crowell). Witness did not advocate for or against allowing them to be sold. Only 50-60% of the allocation for these credits are actually redeemed. Senator Schupp inquires about changes to lines 5-?. Senator Dixon said it was changed to prevent abuse, modifies definition of maternity homes. Senator Schupp says Subsection 2-a expands the definition but the first couple of lines narrows it. Dixon says the overall bill narrows the definition of who can access these credits.

Mary Chan (Missouri coalition of children's agencies): has several members who deal with unplanned pregnancies and need this tax credit to support the work they do. Allows them to generate local dollars to bridge the gap between cost of care and financial support.

Steve Smith (St. Raymond's Society): used tax credits to open homes in Jefferson City, Columbia, and Rolla for housing for women post-pregnancy. Senator Schupp asks how long the average client stays (witness says 5 months).

Kerry Messer (Missouri Family Network): stressed that pregnancy resources centers are now offering significantly more services than in the past and these credits are needed now more than ever.

Missouri Catholic conference: offer support

Susan Klien (Missouri Right to Life):

#### Opposed:

Alison Dreith (NARAL): opposes religious nature of some of the pregnancy resource centers and does not feel they have adequate medical staff. Opposes this amount of money going to these centers during budget shortfall.

#### SB 217 - Nasheed

Adds donations to soup kitchens to current tax credit for donations to food pantries

Discussion: There is a serious problem with homeless in St. Louis and Missouri and these people are going hungry every day. This legislation would simply add soup kitchens to the organizations that are already qualifying for these tax credits to address these issues (food pantries). Wasson inquires on cost; Nasheed says zero fiscal note because this just allows soup kitchens to access credit already in place. Kraus asks about what current cap is; Nasheed says 2,500 for individual but does not have info on total cap. Staff says 1.75 million.

#### In Favor:

Missouri Catholic Conference: doesn't increase amount spending but will allow more organizations to provide the

Print Page 8 of 339

resource.
Rachel (empower Missouri): provided information on the Missouri Report on poverty. Missouri is ranked 7 <sup>th</sup> of all 50 states in citizens with food insecurity. 1.1 million people in Missouri had to attend a food bank over the course of one year.
Opposed:
None
Informational Only:

SB 199 - Wasson
Exempts certain projects from the Tax Increment Allocation Redevelopment Act annual appropriation cap
Discussion: Wasson gave examples of the various projects they have been used on but says we have now reached the cap. The issue is that there are more projects that need to use these caps. Wasson wants to exempt Cerner from the cap to open up space for new projects instead of carving out businesses moving forward project by project. Wasson says no space left in the TIF without removing Cerner.
In Favor:
Larry Chapman (Commercial real estate developer): this is a terrific economic development tool. Specifically discussing project at North Park. Says the program is not based on any promises, employees must be hired to access credit. North Park is by Lambert Airport. Still has half of the project to go but no cap space to be able to continue the cap space. Would argue that Super TIF should not have a cap. Compares the program to Missouri Works.
Jackie Bargett (STL Economic Development Partnership): Submitted written testimony by the STL EDP CEO. In favor of this because it will allow continuation of North Park project. Nasheed inquires on what page ten project exclusions actually are. Rowden answers NGA would be an exclusion.
Austin Walker (STL Regional Chamber): in favor so it can continue the North Park project and gave example of Express Scripts as a success story. Super TIF only works when new jobs are actually created.

**Submission #1 of 2 Submitting names for boards and commissions.docx (112 Kb HTML)** 

Dear Scott:

I am submitting names for Governor Greitens team that is handling vacancies on Boards and Commission in two emails. This one, the first, is a list of several people with contact information. The second email is for one individual, Randall Dowell, who has already applied and has asked me to help if I can. Thus, I am attaching his in a second email, just in case you don't have it.

Austin Chambers asked me to send them to him in December, which I did. I have learned since that you are the person I need to contact now. You may already have these from Austin.

Thanks so much for considering this list. There are no applications or bios attached in the first email, just names and contact information.

If you need any more initial contact data, please let me know.

Best regards,

Kay Hoflander, vice chair Missouri Republican Party

Please find the weekly assignment list attached.

I have added two new columns to this week – Date Bill Added and Sponsor. The "Date Bill Added" column will make identifying new bills a lot easier – any bills that have a date later than the most recent weekly report (in this case it would the report from 2/1/17) are new to your list. I hope the new information is useful and makes filling out your reports a little easier.

Thanks,

**☐ qry\_DepartmentQuery2.8.xlsx** (153 Kb HTML)

Please find the weekly assignment list attached.

I have added two new columns to this week – Date Bill Added and Sponsor. The "Date Bill Added" column will make identifying new bills a lot easier – any bills that have a date later than the most recent weekly report (in this case it would the report from 2/1/17) are new to your list. I hope the new information is useful and makes filling out your reports a little easier.

Thanks,

Kristina M. Cannon Legislative Coordinator OA-Budget and Planning Phone: (573)751-9303

**☐ qry\_DepartmentQuery2.8.xlsx** (153 Kb HTML)

Please find the weekly assignment list attached.

I have added two new columns to this week – Date Bill Added and Sponsor. The "Date Bill Added" column will make identifying new bills a lot easier – any bills that have a date later than the most recent weekly report (in this case it would the report from 2/1/17) are new to your list. I hope the new information is useful and makes filling out your reports a little easier.

Thanks,

Kristina M. Cannon Legislative Coordinator OA-Budget and Planning Phone: (573)751-9303
